Statement of intent

Temple Mill Primary School values all pupils and celebrates diversity of experience, interest and achievement. All pupils need to experience praise, recognition and success, and pupils with SEND have equal entitlement to this.

This policy outlines the framework for Temple Mill to meet its duty, obligation and principal equality values to provide a high-quality education to all of its pupils, including pupils with SEND, and to do everything it can to meet the needs of pupils with SEND.

Through successful implementation of this policy, Temple Mill aims to:

- Eliminate discrimination.
- Promote equal opportunities.
- Foster good relationships between pupils with SEND and pupils without SEND.

Temple Mill Primary School will work with the LA, or equivalent, within the following principles, which underpin this policy:

- The involvement of pupils and their parents in decision-making.
- The identification of pupils needs.
- Collaboration between education, health and social care services to provide support.
- High quality provision to meet the needs of pupils with SEND.
- Greater choice and control for pupils and their parents over their support.
- Successful preparation for adulthood, including independent living and employment.

2. Identifying SEND

- 2.1 Temple Mill Primary School has a clear approach to identifying and responding to SEND, and recognises that early identification and effective provision improves long-term outcomes for the pupils.
- 2.2 With support of the SLT, classroom teachers will conduct regular progress assessments for all pupils, with the aim of identifying pupils who are making less than expected progress.
- 2.3 'Less than expected progress' will be characterised using the following stipulations:
 - Progress is significantly slower than the class average, from the same baseline.
 - Progress does not match or better the pupil's previous rate of progress.
 - Progress fails to close the attainment gap within the class.
 - The attainment gap is widened by the plateauing of progress.

3. Definitions

For this policy, a pupil is defined as having SEND if they have a:

- Significantly greater difficulty in learning than most others of the same age.
- Disability or health condition that prevents or hinders them from making use of educational facilities used by peers of the same age.

- 3.1 Under the Equality Act 2010, a disability is a physical or mental impairment which has a long-term and substantial adverse effect on a person's ability to carry out normal day-to-day activities.
- 3.2 Temple Mill reviews how well equipped we are to provide support across the following areas:
 - Communication and Interaction (CI)
 - Cognition and Learning (CL)
 - Social, Emotional and Mental Health difficulties (SEMH)
 - Sensory and Physical needs (S&P)

Communication and Interaction

- 3.3 Pupils with speech, language and communication needs (SLCN) have difficulty in communicating with others, often because they have difficulty saying what they want, they cannot understand what is being said to them, or they do not understand or use social rules of communication.
- 3.4 Temple Mill recognises that:
 - Pupils with Autistic Spectrum Disorder (ASD), including Asperger's Syndrome and Autism, can have particular difficulties with social interaction.
 - The profile for every pupil with SLCN is different and their needs may change over time. They may have difficulty with one, some, or all of the different aspects of speech, language or social communication at different times of their lives.
- 3.5 The SENCO (Mrs Nicola Caselton), along with the class teacher, will work with pupils, parents and language and communication experts where necessary to ensure pupils with SLCN reach their potential.

Cognition and Learning

- 3.6 Pupils with learning difficulties may require support – Temple Mill will offer learning support that meet the specific needs of each pupil.
- 3.7 Temple Mill understands that learning difficulties cover a wide range of needs, such as Moderate Learning Difficulty (MLD), Severe Learning Difficulty (SLD) and Profound and Multiple Learning Disabilities (PMLD). The class teacher, with the support of the SENCo, will ensure that any provision offered will be suitable to the needs of the pupil.
- 3.8 Specific Learning Difficulties (SpLDs) affect one or more specific aspects of learning. This encompasses a range of conditions, such as dyslexia, dyscalculia and dyspraxia.

Social, Emotional and Mental Health difficulties

- 3.9 Pupils may experience a wide range of social and emotional difficulties that manifest themselves in many ways, including becoming withdrawn or isolated, or displaying challenging, disruptive or disturbing behaviour. Temple Mill recognises that these behaviours may reflect underlying mental health difficulties such as anxiety or depression, and the school will implement a Social, Emotional and Mental Health (SEMH) policy to support pupils with these difficulties.
- 3.10 Temple Mill Primary School will ensure that provisions and allowances are made for the ways in which these mental health difficulties can influence the behaviour of pupils with SEND with its Behaviour policy, including how we will manage the effect of any disruptive behaviour so that it doesn't adversely affect other pupils.

Sensory and/or Physical needs

- 3.11 Impairments that prevent or hinder pupils from using the school facilities, such as Vision Impairment (VI), do not necessarily have SEND. Temple Mill will ensure that staff understand that:
 - Some conditions can be age-related and can fluctuate over time.
 - A pupil with a disability is covered by definition of SEND if they require special educational provision.
- 3.12 Under the Equality Act 2010 (Disability) Regulations 2010, the following conditions do not constitute a disability:
 - A tendency to set fires.
 - A tendency to steal.
 - A tendency to commit physical or sexual abuse towards others.
 - Exhibitionism.
 - Voyeurism.
- 3.13 Temple Mill Primary School recognises, however, that pupils who have sensory or physical impairments may require specialist support or equipment to access their learning, regardless of whether or not their impairment falls under the SEND definition, and the SENCo will ensure that their support needs are being met by supporting the class teacher.

4. Objectives

- 4.1 Temple Mill Primary School will meet the core aims of this policy by achieving the following strategic and measurable objectives:

6. Children with specific circumstances

LAC

- 6.1 Pupils at Temple Mill who are being accommodated, or have been taken into care, by the LA are legally defined as being 'children in care' by the LA.
- 6.2 Temple Mill recognises that pupils that are 'children in care' are likely to have additional educational needs, and it is likely that a significant proportion of them will have an EHC Plan.
- 6.3 Temple Mill has a designated member of staff for coordinating the support for Children in care.
- 6.4 Where that role is carried out by a person other than the SENCo, designated teachers will work closely with the SENCo to ensure that the implications of a child being both in care and having SEND are fully understood by relevant Temple Mill staff.

EAL

- 6.5 Temple Mill Primary School will give particular care to the identification and assessment of the SEND pupils whose first language is not English.
- 6.6 Temple Mill will consider the pupil within the context of their home, culture and community.
- 6.7 Where there is uncertainty about an individual pupil, Temple Mill will make full use of any local sources of advice relevant to the language group concerned, drawing on community liaison arrangements wherever they exist.
- 6.8 Temple Mill appreciates having EAL is not equated to having learning difficulties. At the same time, when pupils with EAL make slow progress, it will not be assumed that their language status is the only reason; they may have SEND.
- 6.9 Temple Mill will look carefully at all aspects of a pupil's performance in different subjects to establish whether the problems they have in the classroom are due to limitations in their command of English or arise from SEND.

7. Admissions

- 7.1 Temple Mill Primary School will ensure it meets its duties set under the 'School Admissions Code' by:
 - Not refusing admission for a child that has named the school in their EHC Plan.
 - Considering applications from parents of children who have SEND but do not have an EHC Plan.
 - Not refusing admission for a child who has SEND but does not have an EHC Plan because they do not feel able to cater for those needs.
 - Not refusing admission for a child who does not have an EHC Plan.
 - Adopting fair practices and arrangements in accordance with the 'School Admissions Code' for the admission of children without an EHC Plan.
- 7.2 Arrangements for the fair admissions of pupils with SEND are outlined in the Admissions Policy and will be published on Temple Mill's website.

8. Involving pupils and parents in decision-making

- 8.1 Parents of pupils with SEND will be encouraged to share their knowledge of their child; the Head of School and SENCo will aim to give them the confidence that their views and contributions are valued and will be acted upon.
- 8.2 Parents will always be formally notified when the school provides their child with SEND support.
- 8.3 Decisions on whether Temple Mill will commission added provisions will be discussed thoroughly with the LA, parents and, when appropriate, the pupil involved.
- 8.4 Decisions about education will not necessarily disrupt a pupil's education or any health treatment underway.
- 8.5 The planning that Temple Mill implements will help parents and pupils with SEND express their needs, wishes and goals, and will:
 - Focus on the pupil as an individual, not allowing their SEND to become a label.
 - Be easy for pupils and their parents to understand by using clear, ordinary language and images, rather than professional jargon.
 - Highlight the pupil's strengths and capabilities.
 - Enable the pupil, and those who know him best, to say what they have done, what they are interested in and what outcomes they are seeking in the future.
 - Tailor support to the needs of the individual.
 - Organise assessments to minimise demands on parents.
 - Bring together relevant professionals to discuss and agree together the overall approach.
- 8.6 The Class Teacher, supported by the SENCo, will meet with pupils and their parents termly (3 times a year) to set clear outcomes, review progress, discuss activities and support, and identify parental responsibilities.

9. Joint commissioning, planning and delivery

- 9.1 Temple Mill Primary School is committed to ensuring that pupils with SEND can achieve their ambitions and the best possible educational outcomes, as well as other opportunities, such as securing employment and living as independently as possible.
- 9.2 Temple Mill will work closely with local education, health and social care services to ensure pupils get the right support.
- 9.3 Temple Mill will assist the LA in carrying out their statutory duties under the Children and Families Act 2014, by ensuring that services work together where this promotes children and young people's wellbeing or improves the quality of special educational provision (Section 25 of the Children and Families Act 2014).
- 9.4 Temple Mill will draw on the wide range of local data sets about the likely educational needs of pupils with SEND to forecast future needs, including:
 - Population and demographic data.
 - Prevalence data for different kinds of SEND among children and young people at the national level.
 - Numbers of local children with EHC Plans and their main needs.
 - The numbers and types of settings locally that work with or educate pupils with SEND.
 - An analysis of local challenges or sources of health inequalities.
- 9.5 Temple Mill Primary School's Data Protection policy will be adhered to at all times.

- 9.6 Temple Mill will plan, deliver and monitor services against how well outcomes have been met, including, but not limited to:
- Improved educational progress and outcomes for pupils with SEND.
 - Increasing the identification of pupils with SEND prior to school entry.
- 9.7 Where pupils with SEND also have a medical condition, their provision will be planned and delivered in coordination with the EHC Plan.
- 9.8 SEND support will be adapted and/or replaced depending on its effectiveness in achieving the agreed outcomes.

10. Funding

- 10.1 Temple Mill Primary School will allocate the appropriate amount of core per-pupil funding and notional SEND budget outlined in the Local Offer for the SEND provision of our pupils.
- 10.2 Personal budgets are allocated from the LAs high needs funding block; Temple Mill will continue to make SEND provision from its own budgets, even if a pupil has an EHC Plan.

11. Local Offer

- 11.1 In developing and reviewing the Local Offer, Temple Mill will adopt the following approach:
- **Collaborative:** Temple Mill will work with LAs, parents and pupils in developing and reviewing the Local Offer. We will also cooperate with those providing services.
 - **Accessible:** The published Local Offer will be easy to understand, factual and jargon-free. It is structured in a way that relates to pupils' and parents' needs, e.g. by broad age group or type of special educational provision. It will be well signposted and publicised.
 - **Comprehensive:** Parents and pupils will know what support can be expected to be available across education, health and social care from age 0 to 25 and how to access it. The Local Offer will include eligibility criteria for services, where relevant, and make it clear where to go for information, advice and support, as well as how to make complaints about provision or appeal against decisions.
 - **Up-to-date:** When parents and pupils access the Local Offer, the information will be up-to-date.

12. Graduated approach

- 12.1 Once a pupil with SEND has been identified, Temple Mill Primary School will employ a graduated approach to meet the pupil's needs by:
- Establishing a clear assessment of the pupil's needs.
 - Planning, with the pupil's parents, the interventions and support to be put in place, as well as the expected impact on progress, development and behaviour, along with a clear date for review.
 - Implementing the interventions, with the support of the SENCo.
 - Reviewing the effectiveness of the interventions and making any necessary revisions.

13. Assessment

- 13.1 Temple Mill Primary School will, in consultation with the pupil's parents, request a statutory assessment of SEND where the pupil's needs cannot be met through the resources normally available within the school.
- 13.2 Consideration of whether SEND provision is required, and thus an EHC Plan, will start with the desired outcomes and the views of the parents and pupil.
- 13.3 Temple Mill will meet its duty to respond to any request for information relating to a statutory assessment within six weeks of receipt.
- 13.4 Temple Mill will gather advice from relevant professionals about the pupil concerned, including their education, health and care needs, desired outcomes and any special education, health and care provision that may be required to meet their identified needs and achieve desired outcomes.
- 13.5 In tracking the learning and development of pupils with SEND, Temple Mill will:
- Base decisions on the insights of the pupil and their parents.
 - Set pupils challenging targets.
 - Track pupils' progress towards these goals.
 - Review additional or different provisions made for them.
 - Promote positive personal and social development outcomes.
 - Base approaches on the best possible evidence and ensure that they are having the required impact on progress.
- 13.6 Detailed assessments will identify the full range of the individual's needs, not just the primary need.
- 13.7 Where possible, pupils' needs will be defined under the 'SEND Code of Practice: 0 to 25 years' broad areas of need:
- Communication and Interaction (CI)
 - Cognition and Learning (CL)
 - Social, Emotional and Mental Health difficulties (SEMH)
 - Sensory and/or Physical needs (S&P)
- 13.8 Where a pupil continually makes little or no progress, or is working substantially below expected levels, the school will consult with parents before involving specialists.

14. Training

- 14.1 Relevant staff members will keep up-to-date with any necessary training, which will be provided by the SENCo, as well as external agencies, where appropriate.
- 14.2 Training will cover both the mental and physical needs of pupils with SEND.
- 14.3 The training offered will be delivered to ensure equality, diversity, understanding and tolerance.
- 14.4 Mental health will be a key consideration for all training that the SENCo participates in, along with any training that staff are given.
- 14.5 During staff induction, all staff will receive SEND training.
- 14.6 Training will cover the following:

- Identifying SEND in pupils.
- Liaising with Temple Mill's SENCo.
- Implementing support measures.
- Monitoring the success of those support measures.
- De-escalation techniques.
- Restraining techniques.
- How to develop peaceful learning environments.
- How to develop lessons so they are engaging for pupils with varying forms of SEND.
- Reasonable adjustments.
- How to help with emotional development.

15. Promoting mental health and wellbeing

- 15.1 Temple Mill Primary School will implement a Social, Emotional and Mental Health (SEMH) policy.
- 15.2 The curriculum for PSHE will focus on promoting pupils' resilience, confidence and ability to learn.
- 15.3 Positive classroom management and working in small groups will be implemented to promote positive behaviour, social development and high self-esteem.
- 15.4 Temple Mill will work with outside professionals, including their Educational Psychologist (EP) to ensure that the support for a pupil is appropriate.
- 15.5 Where appropriate, Temple Mill will support parents in the management and development of their child.
- 15.6 When in-school intervention is not appropriate, referrals and commissioning will be used instead. Temple Mill will continue to support the pupil as best it can.
- 15.7 For pupils with more complex problems, additional in-school support will include:
- Supporting the pupil's teacher, to help them manage the pupil's behaviour.
 - Additional educational one-to-one support for the pupil.
 - One-to-one work with the pupil, delivered by the ELSA.
 - An IHP. All schools must comply with the statutory duty of caring for pupils with medical needs.
 - Providing professional mental health recommendations, e.g. regarding medication.
 - Family support and/or therapy, upon the recommendation of mental health professionals.
- 15.8 Temple Mill Primary School will consider whether disruptive behaviour is a manifestation of SEMH needs.
- 15.9 Temple Mill will focus on work that helps to build self-esteem and self-discipline with the aim of addressing disruptive behaviour.
- 15.10 Temple Mill will appoint a Mental Health lead teacher and two mental health first aiders within the staff.

16. EHC Plans

- 16.1 Temple Mill Primary School will fully cooperate with the LA when research about the pupil is conducted.
- 16.2 Temple Mill will provide the LA with any information or evidence needed.
- 16.3 All relevant teachers will be involved in contributing information to the LA.

- 16.4 If Temple Mill decides to implement an EHC Plan, the parents and the pupil will be informed, including the reasons for this decision.
- 16.5 Temple Mill will meet its duty to provide parents or the individual pupil with 15 calendar days to consider and provide views on a draft EHC Plan.
- 16.6 If the decision is taken not to issue an EHC Plan, Temple Mill will consider and implement the recommendations of feedback from the LA regarding how the pupil's outcomes can be met through their existing provision.
- 16.7 If the LA decides not to issue an EHC Plan, the parents of the pupil, or the pupil themselves will be informed within a maximum of 16 weeks from the initial request of an EHC assessment.
- 16.8 Temple Mill will admit any pupil that names the school in an EHC Plan or EHC needs assessment process.
- 16.9 Temple Mill will ensure that all those teaching or working with a pupil named in an EHC Plan are aware of the pupil's needs and that arrangements are in place to meet them.
- 16.10 All reasonable provisions will be taken by Temple Mill to provide a high standard of education.
- 16.11 Staff will be briefed about any potential problems and a procedure will be put into place to deal with certain situations.
- 16.12 Temple Mill will specify the outcomes sought for a pupil in terms of specific, measurable, achievable, realistic and time-bound (SMART) outcomes.
- 16.13 Temple Mill will ensure that each pupil's EHC Plan includes the statutory sections outlined in the 'SEND Code of Practice: 0 to 25 years', labelled separately from one another.
- 16.14 If a pupil's needs significantly change, Temple Mill will request a re-assessment of an EHC Plan at least six months after an initial assessment. Thereafter, the LAB or Head of School will request the LA to conduct a re-assessment of a pupil whenever they feel it is necessary. Following the re-assessment, a final EHC Plan will be issued within 14 weeks from the request being made.
- 16.15 Temple Mill will ensure that any EHC Plan information is kept confidential and disclosed on a need-to-know basis.
- 16.16 Information regarding a pupil's EHC Plan will only be shared with other educational settings if the pupil is transferring there, for the setting to develop an individual learning plan.
- 16.17 Temple Mill will take steps to ensure that pupils and parents are actively supported in developing and reviewing EHC Plans.
- 16.18 Where necessary, Temple Mill will provide support from an advocate to ensure the pupil's views are heard and acknowledged.
- 16.19 Temple Mill will ensure that parents are consistently kept involved throughout the implementation of an EHC Plan.
- 16.20 Temple Mill will ensure that the whole process of an EHC needs assessment and development takes no longer than 20 weeks from when the initial request was received.

17. Reviewing the EHC Plan

- 17.1 Temple Mill Primary School will:
- Cooperate with the relevant individuals to ensure an annual review meeting takes place, including convening the meeting on behalf of the LA, if requested.
 - Ensure that the appropriate people are given at least 2 weeks' notice of the date of the meeting.
 - Contribute any relevant information and recommendations about the EHC Plan to the LA, keeping parents involved at all times.

- Ensure that sufficient arrangements are put in place at Temple Mill to host the annual review meeting.
- Cooperate with the LA during annual reviews.
- Lead the review of the EHC Plan in order to create the greatest confidence amongst pupils and their parents.
- Seek advice and information about the pupil prior to the annual review meeting from all parties invited, and send any information gathered to all those invited, at least 2 weeks in advance of the meeting.
- Prepare and send a report of the meeting to everyone invited within 4 weeks of the meeting, which sets out recommendations and amendments to the EHC Plan.
- Provide the LA and parents with evidence to support the proposed changes and giving those involved at least 15 days to comment and make representations.
- Clarify to the parents and pupil that they have the right to appeal the decisions made in regard to the EHC Plan.

18. Safeguarding

- 18.1 Temple Mill Primary School recognises that evidence shows children with SEND are at a greater risk of abuse and maltreatment and will ensure that staff are aware that pupils with SEND:
- Have the potential to be disproportionately impacted by behaviours such as bullying.
 - May face additional risks online, e.g. from online bullying, grooming and radicalisation.
 - Are at greater risk of abuse, including, but not limited to, neglect and sexual violence or harassment.
- 18.2 Temple Mill recognises that there are additional barriers to recognising abuse and neglect in this group of pupils. These barriers include, though are not limited to, any communication difficulties the pupil may experience, and the common assumption that indicators of possible abuse are related to the pupil's complex needs or disability without further exploration, e.g. peer group isolation, injury, and changes to behaviour and mood.
- 18.3 The Head of School and LAB will ensure that Temple Mill's Child Protection and Safeguarding policy reflects the fact that these additional barriers can exist when identifying abuse.
- 18.4 Care will be taken by all staff, particularly those who work closely with pupils with SEND, to notice any changes in behaviour or mood, or any injuries, and these indicators will be investigated by the DSLs (Lisa Lewis, Nicola Caselton and Kirsten Collis) in collaboration with the SENCo.
