

Give your best, expect success!

14-Feb-25

Dear Parents and carers,

We had a wonderful time in our final assembly of the term. I was able to pick my favourite of the songs we have used for assembly this term and so once again we had a rousing sing-a-long to Defying Gravity from Wicked.

Each class then presented the highlights of their learning over the term. We enjoyed hearing about Year 2's dairy farm experience and seeing their leaflets. Year 3 showed us the Stone Age weapons and fortresses they had made. Resilience, our theme for the term, ran through everything that Year 6 did, from their Red Cross visit to the disaster shelters they created inspired by their class book. Polar creatures and giant germs featured in Year 1's presentation while Year 5 impressed us with the art closely linked to their science and their science double page spreads inspired by their art!

Meanwhile. Nursery and Reception classes celebrated their term's learning with a dress up day with everything from sharks to airline pilots (complete with plane) making an appearance.

Year 4 didn't present today as they had their fabulous Class Assembly on Wednesday - we all agreed that was quite enough showing off for one week!

After a term of building our resilience, next term we will be considering the theme of "Responsibility". We'll include responsibility for ourselves and others, for our belongings and the environment. We will also explore the positives about being given responsibility, that it is a sign of trust and confidence.

It's been a great term that has finished really well. Have a great break and we will see you all back on Monday 24th February.

Mrs Lewis

Movie Night: The children enjoyed Movie Night yesterday, the films were great and the pop corn and hotdogs went down very well! I'd like to say a big thank you to all the staff that volunteered to stay last night and also Mrs Martin who did all of the shopping and to

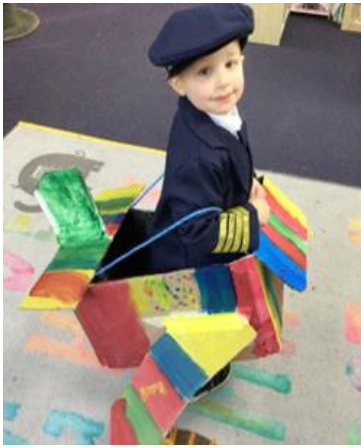

Mrs Taylor, our one and only volunteer on the night! We were all kept very busy but just about managed to get everything done. However, we really are dependent on volunteer helpers to make these events a success so please consider helping if you can next time - we'd hate to have to cancel as the children love them so much.

Next term we will be looking for volunteers for the Mother's Day sale and the end of term Disco on Thursday 3rd April, please let Mrs Reddin know if you think you can help.

Caterpillar Class on the move!

This term, Caterpillar Class have been finding out about different forms of transport. With this in mind, to celebrate the last day of term, the children have dressed up and we think they look amazing!

This week's House Points:

DIAMOND	SAPPHIRE	EMERALD	RUBY
			
70	110	78	95

Well done to [Sapphire](#) House, you are off to a great start to try and earn the next colours day.
